Mr Pandia Sastha Rao on behalf of Venkatasubbamanniyaram for a review of the Gudalur decision that the Bellale Chatram and the Kilaya endowed lands may be taken to Stamp under Govt management - It is urged that the Revenue petition is despite of the first order should not be executed.

The Revenue petition sets forth no new points. The petitioner is a respectable Hindu lady, and I would not have submitted the original petition for disposal if the report had been from any other Tahsildar. My report that the report is from Mr Kantha Raja Iyer who, in a way, is connected with this family helped much with me. I thought the lady would have no objection. To the Revenue Board humiliated I respectfully beg to suggest that she may be given one more chance for setting all matters right - My first order had the Dewan's approval submitted to Board Consider

the Chairman & the Dy Com^r concurs in his view that Notwithstanding the 6 months' leave given to Venkata Subbammanniavaru (in deference to her wishes) the Charities are not properly looked after consistent with her benevolent intentions, and recommends the taking over of the management of the charities by the Govt. If this be approved, the portion of the Govt order No. R-6137-40 of 11 3·10 relating to the grant of Rs 800 a year to the Lady for the conduct of the affairs relating to the Charities should be modified, and orders passed to take over the Charities under Govt management.

The Govt order proposed to be modified was issued in the Rev Branch.

The previous pages of this note will show that though the Govt had ordered that the management should be taken over they decided to give the Lady another opportunity to make matters right. The Dy Com^r's personal report shows that there has been no improvement & the management may be assumed by Govt.

There is another one matter about which I have to bring to the notice of Govt. Three Villages have been mortgaged to the Palace for a loan contracted by the Lady. I am not aware of the exact

The villages, as the sanad-register will show, are devolving upon any lady Queen who may have the right to alienate; and if any Venturer to buy so, it is my humble opinion that neither the fort nor the Palace should be parted in such alienations. And the loan been for the purposes of the charity — any repairs of the Chatram — there would have been some justification. So far as I can see it is wrong for the lady's private own purposes. In this circumstance we should thus — creating an inconvenient precedent by accepting the security of these villages.

Once before the villages had been mortgaged to the Palace as I am told about R. 40 [illegible] although as a security for the charity and a part of the Revenue was allotted for the charity. This was in the pre-Rendition days and when late Mr Ranga Charlu was Palace Controller. After the villages were restored the same lady adopted the same course as used a security for the purposes of the Chatram. This I learned and from her Agent when I was Asst at Bellary last year. That is why I say we create an inconvenient precedent by accepting the villages as security. The remarks in the Dewan Rep^t

No 790-08 put up with for purposes of reference

In the case of the Srinivasa Perumal charities also this question has arisen. The fort encroached the Rao Sahib's Chavadi and for which the Jahgirdar had to pay a large sum as contribution

and look over the management of the Village of Panipal and Kaglipura. After endorsing the charities out of the income the proper Council appropriate the balance towards the contribution. This the Jaigirdar now wants is a precedent to others that the entire income from the Villages should not necessarily be spent on the charities

The Assistant Dewan says that if the charities are not properly looked after, the income from the Villages should be taken off

No doubt in the present case provision has been made either for managing the charities by a Committee or by nominally, for a loan. The family charity of feeding Brahmins but my contention is that the Villages should not be sequestrated, for a short or by nominally, for a loan.

If this View is accepted necessary action may be taken for rectifying the order of No 6137-40 dd 11 9 1940

It is clear that the villages are solely to be devoted to the Chatra & that the family have no beneficiary interest therein. The Lady has not apparently been able to make proper satisfactory arrangement for

the proper administration of the charity. The fact that it has been treated as part of the family property and mortgaged for a debt shows that the trust has not been properly administered. The order of Govt. d. 20 Jan. 1909 (Flag R) may therefore be confirmed and the villages devoted to the charity and the ~~Inamdar~~ ~~etc~~ Chairman taken over under Govt. Management.

The condition under which the loan was made by the Palace that the nett proceeds of these villages after deducting the incidental charges & cost of the Chattra & should be appropriated towards the repayment of the loan — will have to be modified, so as to credit all the income of the villages & the Chattra in question. Submitted to His Highness.

Government Order No.738-40 dated 20th January 1909 sanctioned the recommendation of the Deputy Commissioner of Mysore to take over under Government management the Chattram founded near Melkote by the late Sarvadhikari Bale Raj Urs together with the Sarvamanyam Villages of Manakanahalli and Bellale endowed for its maintenance. The printed order gives the facts of the case fully.

2. This order has not been given effect to owing to a protest from the Ursoo Lady Venkatsubbammanni Avaru, received in March 1909 being the subject of correspondence with the Deputy Commissioner, the upshot of which is that the Deputy Commissioner considers it inexpedient to continue the management in the hands of the lady and adheres to the opinion that the Chattram and the villages should be taken under Government management.

3. In the meantime the Palace authorities seem to have lent some money to the family on the security of the two villages above named and of village Mangala

in Chamarajanagar Taluk, and on their requisition orders contained in Government No.R 6137-40 dated 11th March 1910 were issued. Under them the villages in question were to be taken under Government management as security for the Palace loan on certain terms, One of which provides for the payment of Rs.800 to the Ursoo Lady for the conduct of the Chattra charities.

4. In view of the Government Order No.738 dated 20th January 1909, it is necessary for His Highness the Maharaja to be pleased to direct that the sum of Rs.800 just mentioned be paid to the Muzrai Superintendent instead of to the Lady Venkatasubbammanni Avaru for the management of the Chattram. And I beg that this direction be now given.

5. The Muzrai Under Secretary in his notes on the file has raised the question of the Lady's rights to alienate the villages which are Devadaya (Dharmadaya.) and contends that the villages should not be the security even nominally for a loan. The Second Councillor has further noted that the villages are solely to be devoted to the Chattram, meaning thereby that the entire revenue of the villages should be spent on the Chattra without any part of it being treated and appropriated as part of the family property. The Second Councillor

points out that the effect of this would be that the security for the loan given by the Palace is diminished to the extent of these two villages of Bellale and Manakanahalli which belong to the Chattra and that this aspect of the matter should be represented to His Highness the Maharaja for such modification of the arrangement as may seem suitable to His Highness.

6. Under these circumstances the Deputy Commissioner may be asked, in modification of the orders of 11th March 1910, to keep the administration and the income of these two villages separate from Mangala and to report to Government and seek orders for the disposal of this income.

Order.

A modified order may be passed to the effect that the payment of the sum in question, viz. Rs. 20/-, is to be made to the Huzoor Department for the upkeep of the Chutter, and not to the Inam name. Dharmadaya properties can be neither alienated nor secured against private debts, and in the light of this view, the item from the Inam of the villages of Kanakanahalli and Bellahalli at the end - part in its entirety and utilised for the upkeep - tenance of the chutter for which the Inam was specifically endowed. Only the villages of Kanakanahalli held as security against payment of the Peishcush, and its income under Govt management, will the year be credited to the Palace till the arrears are fully liquidated.

This is a case in which three orders have to be issued
1. First will be in modification of the order of March
1910 issued by the Rev: Dept. In modifying it there will be
the necessity for saying that Rs. 800 should be paid to the
Mazavri Dept. for conducting the charity.
The second will be to confirm the order of Jany 1909
issued by the Mazavri Dept. directing that the Chatram and
its endowments be managed by Govt. This confirmation
will be communicated to the Lady.
The third will be in reply to the Dy Coll. letter
No. 320 dd 4. 3. 1909 in which the proposals for
the control of the charity have been made.
The Dy Coll. ~~Dept~~ ~~to~~ ~~the~~ ~~fencing~~ ~~of~~ ~~charge~~ proposes
to dispense with the Pariahs as it is seen in this place
only a caretaker. The says that a low-paid Pariah
cannot be depended upon to do out Satyavrata
Varadaraja and Rathnagiri hereby and recommends that
this should be done at Perumal Rocks by the Dy Coll
clerk or one of his subordinates and not at Bellale
by the Pariahs.
I am not in favour of this. Perumal Rocks is only
6 miles from Srirangapatnam where there is a fort and
Bellale is about 6 miles further away and 7 miles from K.R.

Sir,

Adverting to Govt. that the proposals made by the Sub Divisional officer, appear to be fair and may be sanctioned provisionally subject to revision after the settlement of the villages.

2. I also propose that the marginally noted 3 persons may be appointed Dharmadarsis to supervise the affairs of the Institution.

3. In the matter of Rs 100/- referred to in para 11 of the Sub Divisional officer's letter for Santarpane during the ensuing Vyasudi Jatra, I have written to the Sub Divisional officer to obtain the accounts from the Inamdar at once and to inform the Inamdar that in case the necessary funds be not sent in time, the feeding during the Vyasudi jatra this year would be stopped.

Office of the Assistant Commissioner

French Rocks.

Dated 2nd March 1900.

From

C.Narayana Rao Esq.

Assistant Commissioner

French Rocks.

To

M.Kantharaj Urs Esq. B.A.

Deputy Commissioner

Mysore District.

Sir,

I have the honor to submit herewith, the report No. 215 dated 1st March 1900 received from the Deputy Amildar French Rocks, in re the taking over under (inamai) Government management Bellale Chatter and the two villages endowed for the same.

2. The revenue of the villages viz. Bellale and Manikanahally (~~whose~~ survey settlement is reported to take place shortly) is Rs. 1300 as stated by the Shanbhogue who has not yet furnished the correct accounts.

3. The cost of present establishment is Rs. 10 per month or Rs. 120 per annum as noted in the margin. The amount spent for granting "Salaverti" to Byragees and other travellers at the Chatter is Rs. 41 per month for the 9 months during the year. For the remaining 3 months during the Jatra season the feeding charges including salaverti is Rs. 251 as noted below :-

1	Viramalli Jatra	100-0-0
2.	Krishnarajamalli	65-8-0
3.	Ashtaiswaratha jatra	65-8-0
		251-0-0

The total cost of Charities per annum is thus stated to be Rs. 720/-.

4. As observed by Mr. M.Sreenivasa Rao, Assistant Commissioner

in his letter No. 778 dated 30th May 1905 and tested by me during my recent visits to the Chatter, the fact that the sadavart is given to travellers in the Chatter to the amount of Rs. 41/ per month is unworthy of credit.

5. It cannot be expected that a Parapathegar on a small monthly allowance of Rs. 3 would discharge his duties connected with the charities honestly. Under these circumstances, I would propose, that the distribution of sadavart may be abolished at in the Chatter, and in lieu thereof, arrangement may be made for giving the same at French Rocks through which place the Pyragees and other travellers pass on to Velkote. If the proposal meets with your approval a sum of Rs. 30 per month may be placed at the disposal of the Deputy Amildar French Rocks who will appoint one of his subordinates in his cutchery to issue tickets to the travellers daily at fixed ~~fours~~ hours, and the travelers will present the ticket to one of the respectable shopkeepers appointed by the Deputy Amildar who will issue sadavart as per ticket issued.

6. A register showing the tickets issued will be maintained in the Deputy Amildar's office and its entries checked with the monthly bills which should be accompanied by tickets.

7. As now proposed the cost of sadavart will amount to Rs. 360/ per annum and the feeding charges during the Jatras to be reduced as hereunder.

1.	Virarudi Jatra	60-0-0
2.	Krishnarajendi Jatra	30-0-0
3.	Ashtatheerattha Jatra	30-0-0

Instead of having two servants in the Chatter as proposed by the Deputy Amildar it would suffice if a caretaker on Rs. 4 with a contingent allowance of one rupee per month for lighting the Chatter is retained.

8. As the settlement of the village is to take place shortly the remuneration of the Shanbhogue may be tentatively fixed at Rs. 40/ per annum.

9. A lump sum of Rs. 30/ may also be fixed for the annual maintenance of the Chattram buildings.

10. A statement showing the present and proposed expenditure on account of the charities is herewith submitted.

11. As Viramdi Jatra is to commence from the 25th instant a sum of Rs. 100 may be ordered to be utilized for the expenses connected with the Santarpane etc at the chatter as proposed by the Deputy Amildar.

Sir,

Adverting to your letter No. 1334 Muz. F. 440-08-3 dated 20th March 1909 and in continuation of my letter No. 358 dated 25th March 1909 regarding the affairs of the Bellale Chattram, I have the honor to state that 6 months time was granted to the Inamdar to set all matters right. The Sub Divisional Officer of French Rocks who was carefully watching the Charities reports that the persons depute- -d by the Lady have not carried out

the

the object grant and suggest that the management of the Chatram to be taken over by Government.

I agree with the Sub Divisional officer and as already recommended in my previous communications to you Government Sanction may be accorded to take the management of the Chatram.

In Government Proceedings No. R 6137-40 dated 11th March 1910 the L.R. 328-09-2 Inam villages of Mangala, Bellale and Manikyanahally have been ordered to be taken over under Government management. The sum of Rs 800 has however been ordered to be paid to the lady once a year or periodically

on account of the chattram. I therefore beg that this portion of the Government order regarding the Chattrams may be kindly modified and orders issued for the management of the charity also by Government in the muzrai department.

Copy of the Sub divisional officer's letter No. 913 dated 28th March 1910 and its enclosures in original are herewith submitted for reference and return when done with.

Enclosure No. 1 file and a

Sir,

With reference to your docket No. 363 dated 23rd March 1909, directing me to report after the expiry of 6 months, as to whether the affairs of Bellale Chatter in the French Rocks Sub Taluk have been set right by Venkatasubbammanni Avaru, I have the honor to state, that although

although the Deputy Amildar (Mr. Kasinatha Rao) reported to me favourably in his report No. 84 dated 13th November 1909, I was carefully watching the way in which the charities were being arranged by the Servants of the lady.

2 During my inspection of the chattar on the 14th instant, a few days before the recent Vyramudi Jatra, I found neither the cook nor the agent at the chattar and the accounts given by the travellers who resorted to the chattar were far from being satisfactory.

3. I therefore paid a surprise visit to the chattar at 12 noon on the 25th instant and called upon Shanbogue Puttanniah, who was in immediate charge of the Stores &c of the chattar,

to produce the daily accounts from 1st instant. He at first hesitated to shew me the cutcha accounts and after being repeatedly demanded, produced the so called accounts (herein enclosed) stating that he had ~~he had~~ not maintained proper accounts of the expenditure from the 1st instant.

4. A close examination of the cutcha accounts in the handwriting of Shanbogue Puttanniah goes to shew, that he and other servants are not at all carrying out the benevolent and charitable intentions of Venkata Subbammanni Avaru.

5 Under these circumstances I again beg to suggest that the mana-gement of the chatter may be taken

by the Government.

6. As directed in your docket No. 3662-5 dated 24th instant, I have issued necessary instructions to the Deputy Amildar to take the villages of manikyana-halli and Bellale under his management and also addressed a communication to Venkatasubbammanni Avaru to let me know whether the sum of Rs 800/- payable in respect of the charities, has to be paid monthly, quarterly or annually.

The Deputy Amildar's report No. 84 of the 13th November last and its enclosure are submitted.
